Hazing

Any act, occurring on or off the campus, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purposes of pledging, initiation into, affiliation with, holding office in, or maintaining membership in an organization. Hazing includes soliciting, encouraging, directing, aiding, or attempting to aid another student in engaging in hazing, as well as having firsthand knowledge of the planning or occurrence of a specific student hazing incident without reporting the incident to a school administrator in writing. Consent to or acquiescence in the hazing activity does not excuse the student of responsibility for the misconduct.
